

# NJ-ALPHI

New Jersey Association of Licensed Professional Home Inspectors

## Welcome Home Inspectors!

NJ-ALPHI is a non-profit organization that provides NJ State mandatory continuing education, promotes the professional practice of home inspection, and serves as a networking organization for products and services involved in our profession

### Be a Member – and here's why:

- All on-line classes are free to members (except for specialty classes)
- NJ-ALPHI has 2 in-person seminars a year geared towards core credits (5 hours with vendors)
- NJ-ALPHI has 2 in-person radon recertification classes a year (4 hours for MET's)
- An NJ-ALPHI membership exclusive includes an updated Pre-Inspection Agreement template to use or compare with existing agreements.
- A Member's business is listed on the NJ-ALPHI website.
- NJ-ALPHI publishes an electronic newsletter and bulletins keeping you informed about upcoming events, online training, services advertised and provided by our affiliates and articles related to our profession.
- NJ-ALPHI proactively participates in the state Home Inspection Advisory Committee meetings bringing its membership the latest information on regulations.
- Member of another home inspection association? Great, NJ-ALPHI welcomes all and knows everyone benefits when education and information is shared.
- NJ-ALPHI offers enough education to more than satisfy your bi-annual license renewal CEU requirements. Let us help you meet your requirements.

Our in-person meeting location is conveniently located at:  
The Gran Centurion, 440 Madison Hill Road, Clark NJ 07066

Please use the [Membership Application\Renewal Form on the home page](#) to join us and receive the benefits of our Association. We value you as a member and colleague.
